

Join the next meeting of the
PHC Knowledge Translation (KT)
Community of Practice

March 14, 2018, 12:00 PM - 1:00 PM
Conference Room 6 (Lower Level, Conference
Centre), St. Paul's Hospital

Karen Urbanoski will speak on:

“Integrated KT: Improving primary care for people who use substances through participatory community research”

Dr Urbanoski is the Canada Research Chair in Substance Use, Addictions and Health Services; Scientist, Canadian Institute for Substance Use Research; Assistant Professor, School of Public Health & Social Policy, University of Victoria; Collaborator Scientist, Centre for Addiction and Mental Health. *She will join us by webinar from her office in Victoria.*

To Join By Webinar: (webinar space opens at 11:45 AM) This meeting will be held via Cisco WebEx (webconferencing). To fully participate, you will need a computer (preferred) or smart phone or tablet AND an internet connection. Failing that, you can still participate via teleconference using the numbers below. A few minutes before the meeting start time:

1. **Click the Meeting Link:** <https://goo.gl/P7w2gD>
2. **Once connected to WebEx online**, you need to connect to the audio side
 - Click the *Connect to Audio* button. If you have a microphone and speakers or a webcam with a microphone, select *Call using Computer* (preferred).
 - Otherwise, select *I Will Call In*, pick up your telephone handset, and enter these **three** things: phone number: 1-855-244-8680; access code: **800 097 388**; your attendee number, as displayed in WebEx once you're connected.
3. If needed, the meeting password is *Network10* (case sensitive).

IMPORTANT - WebEx webinar will run on the following operating systems and internet browsers: Windows Vista 32-bit/64-bit, Windows 7 and newer, Mac OS X 10.7 and newer; Internet Explorer 7 and newer, Firefox (latest), Safari 5 and newer; Google Chrome (latest) ****recommended for health authority computers****

For more details & instructions on joining by webinar, please email
