

Discovery Forward Providence Research Strategic Plan

2021-26

Foundational Principles

01

Reconciliation

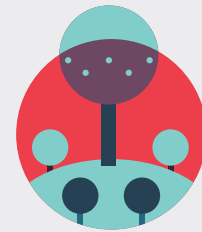

Our Goal: Genuine and meaningful efforts to advance reconciliation with Indigenous People

02

Advocacy

Our Goal: Champion research that is person-centered and advances social justice

03

Sustainability

Our Goal: Proactive stewardship and protecting our planet

04

Ethics

Our Goal: Uphold and exceed ethical standards for health research

Strategic Directions

01

Amplify

Our Goal: Define inclusive themes that optimize resources, build on our expertise, and create new opportunities

02

Build

Our Goal: Grow and strengthen our research enterprise

03

Integrate

Our Goal: Build an inclusive community for stronger research questions and answers of relevance to patients, participants and residents

04

Activate

Our Goal: Create an express pathway to translate knowledge into practice
