PHC Institutional Approval and Ethics Approval is required **before** HIM can provide access to patient charts for research study purposes. A 'Request for Retrieval/Access to View Patient Health Records Form' will need to be completed and will be issued by HIM. If the research study involves patient charts discharged after April 1, 2006 (for all care levels except Residential Care), PHC PCIS access is required as these patient charts are only viewable electronically. (Forms can be found on Providence Research website under Institutional Approvals) Clinic charts can either be stored on the unit or within HIM. Researchers are directed to approach the Clinical Operations Leader first to obtain approval before PHC Institutional Approval and Ethics Approval can be released. **ICU - Intensive Care Unit** Dr. Mirek Piaceszny ICU Database 604-806-8647 (68647) Mirek@hivnet.ubc.ca **ICU - Intensive Care Unit** Dr. Demetrios Sirounis Research involving patients and/or Medical Director ICU staff 604-806-9405 (69405) dsirounis@providencehealth.bc.ca
